**PETITIONS AND COMMUNICATIONS**

**State of Wisconsin  
Department of Transportation**

June 2, 2011

The Honorable, The Senate:

I am pleased to present to you, for distribution to the Wisconsin Senate, the annual evaluation report on the Pretrial Intoxicated Driver Intervention Grant Program. It will also be available on our website in the near future, at [www.dot.wisconsin.gov/library/publications/topic/safety.htm](http://www.dot.wisconsin.gov/library/publications/topic/safety.htm).

The program, created by section 85.53 Wis. Stats., was established by the legislature in 1997 with the requirement that the Department study its impact and report on its findings.

The Pretrial Intoxicated Driver Intervention Grant Program is intended for offenders who are arrested for their second or subsequent OWI (Operating While Intoxicated) offense. Offender participation may be voluntary or court ordered. It is an intervention model designed to get offenders into counseling, treatment and supervision as soon as possible after the arrest. The program is individual to each community.

Overall, offenders who successfully completed the program were less likely than non-participants to be re-arrested for subsequent OWI violations. Those who were re-arrested went significantly longer between arrests than nonparticipants.

I commend those people who have dedicated themselves to making this innovative program a success. There are no “silver bullets” in eradicating impaired driving, but I feel this effort is a vital piece in the total transportation safety effort.

Sincerely,  
*MAJOR DANIEL W. LONSDORF*  
Director, Bureau of Transportation Safety
